I visited to P.N. College, Kuvada on 2/11/19 in the context of Seminar. I presented my views on Draft National Education Policy 2019. Students, faculty members and invited guests were present in Seminar hall. After elaborate discussion, students asked few questions for clarification. The environment and faculty members are cohesive and positive in their approach. The department friends are well behaved and loyal. I am happy to record that students and staffs are good in the P.N. College.

I wish them all the best and pray to the Almighty to shower all blessings to the Department and P.N. College in general & students & staffs in particular.
