RESEARCH POLICY

- The college research policy provides guidelines to conduct research and publication of high quality research journals
- All the Heads of the Department should commit themselves to promote research culture among faculties and students to provide a strong research foundation for the overall growth of the Institution
- Research & Development Committee of the college spearheads the research activities of the college. Departmental research committee for every department would be created in which the Heads of the department would head the committee
- Research journal comes up annually; i.e, Manjari with an ISSN Number to showcase the research potential of the teaching staff of the college.
- To attain the highest standards in the field of research, the institution has come up with an innovative idea of providing Pranathi Fellowship with seed money of Rs. 5 Lakhs which will be disbursed to 10 shortlisted research proposals of the teaching staff and the criterion for short listing these candidates are done on an ethical basis.
- Odia Sahitya Parishad under the aegis of Odia Department of this institute has come up with a revolutionary idea of bringing into light the language, culture and the heroic tales of the unspoken revolutionaries of Khordha.
- The college has to be made as a place of research as many staffs act as Ph.D guides and supervisors to many research scholars.
- The college also tries to develop a conducive environment for research by conducting seminars, conferences and workshops in our college.
- The college encourages the faculty members to take up research projects by extending all possible help.
- The college has a NETWORK RESEARCH CENTRE with a dedicated well equipped library, with round the clock access to computers so as to engage in a fruitful research.
- The policy may be amended time to time as necessary.
