Location: Three kilometers away from
Prasanath College (Autonomous),
Khordha

Participants: all the staff and students of

Anita nursery is basically an ornamental nursery where seedlings, rootstock and stem material of ornamental plants are raised and conserved for further use. It includes another block of ornamental plants, which are used in layering as well as producing stem material for budding and grafting. The raised and flat beds of the nursery are occupied by seedlings of various annuals, perennials and rootstocks of ornamentals. A separate block of the nursery consists of vegetative and reproductive plants of herb and tuber crops. Cuttings of different climbers and creepers are also planted here for rooting. It also houses many indoor and outdoor potted plants. The blocks of seedlings of cut and loose flowers, seasonal, bonsai, climbers and creepers are managed individually here.

Open field nursery: Such a nursery is established in open areas without any permanent structure. Usually, raised, flat or sunken seedbeds are prepared. These are vulnerable to natural environmental conditions.

It has a Poly-tunnel: The nursery is covered with a plastic film or sheet to form a tunnel. It is miniature structure, which produces greenhouse-like effect. Besides not being expensive, it is easy to construct and dismantle. The seedlings are protected from cold, wind, storms, rain and frost. Due to modified conditions, there is better germination and plant growth.

International Youth Day

The International Youth Day was observed on 12th August 2023 at the Dept of Political Science in room no 45 under the Chairmanship of the Head of the Department of Pol Science, Dr Bindurajes Mishra. The other 2 faculties were also present in the seminar i.e. Dr Divan Dasal and Miss Srivastava, Mohanty. 30 students were present in the in-house seminar. An in-house seminar was organised on that day where 9 students participated. The topic of the ~~seminar~~ ^{debate competition} was organised in English and the medium of the topic was "Eternal vigilance is the price of liberty". The students spoke eloquently about the topic where they stressed upon the fact that in a democratic country like ours, it is highly essential that every citizen of that country should remain alert to put an effective check on the autocratic trend of the government. The very next day, a distinguished Principal, Dr. Ajanta Satapaty gave away the prizes to the winners.

The event was organised in collaboration with Public Rights Association, a Bhikharwar and PRC of this institution. The PRA working President, Mrs. Sunita Pandey encouraged the students to take active part in such kind of competition to develop their holistic personality. On the occasion Mrs. Panda thanked the department members for organising the event.
