Prananath Autonomous College, ^{Khordha}

Odisha State Higher Education Council

22-23 February 2022

Executive Summary

The Prananath Autonomous College (hereafter, PNAC) came into existence on January 28, 1959. It was founded by a legendary philanthropist, Shri Prananath Patnaik. The then Union Minister of Education, Prof. Humayun Kabir laid the foundation stone of the college named "Khordha College." In November 1970, the College was rechristened Prananath College and later in 2006, as Prananath Autonomous College. The PNAC celebrated its golden jubilee year on 27th November 2010.

The Odisha State Higher Education Council (hereafter, OSHEC) performed an Academic Performance Audit (APA) of the PNAC over a period of two days starting on 22nd February 2022. The OSHEC took this initiative and the principal of the PNAC, Dr. Ranjita Sethi welcomed the intent of the Council. One of the objectives of the OSHEC is to conduct an Academic Performance Audit of all HEIs in Odisha under the administrative control of the Department of Higher Education, Government of Odisha.

The OSHEC reviewed the academic activities of various departments of PNAC for 2020-21 under four broad categories, (1) Student-related performance, (2) Teacher-centric performance, (3) Infrastructure, and (4) General activities that reflect academic growth.

Major highlight

1. PNAC was awarded Autonomous Status by the UGC in June 2006.
2. PNAC received an 'A' grade accreditation status from the NAAC in 2006 and again on December 16, 2016.
3. The PNAC was adjudged "College with Potential for Excellence" by the UGC, w.e.f., 24th August 2011.
4. The distinctiveness of PNAC is reflected in *Pujya Puja* under the banner of which it offers different categories of awards and prizes annually.
5. Notable awards are (a) *PRANANATH SANMAN* - which is presented to eminent persons and noted scholars for their outstanding contribution to the field of education and social reform; (b) *PRANANATH SANGEET SAMMAN* - is presented to the eminent musicians, dramatists, and singers of the state; and (c) *ANJARI DEVI AWARD* - is presented to distinguished scholars for their profound contribution to the field of literature (novel, short story, poetry, criticism, drama, and children's literature).

Academic Performance Audit

The audit team reviewed 19 departments/units at PNAC. In addition, the team also reviewed the activities of the central library, examination section, programs in self-financing mode, administrative office, and NCC/NSS. The team interacted with the Principal, Officers, IQAC coordinator, in-charge of the website, and In-charge of e-resources of the college.

A systematic review of the departments revealed a median of 0.46 as the Performance Index of PNAC on a scale ranging between 0.0 and 1.0. Figure 1 depicts the summary of the evaluation. Four departments out of the 19 secured a Performance Index ≥ 0.60 .

PNAC - DEVIATION FROM THE MEDIAN API SCORE

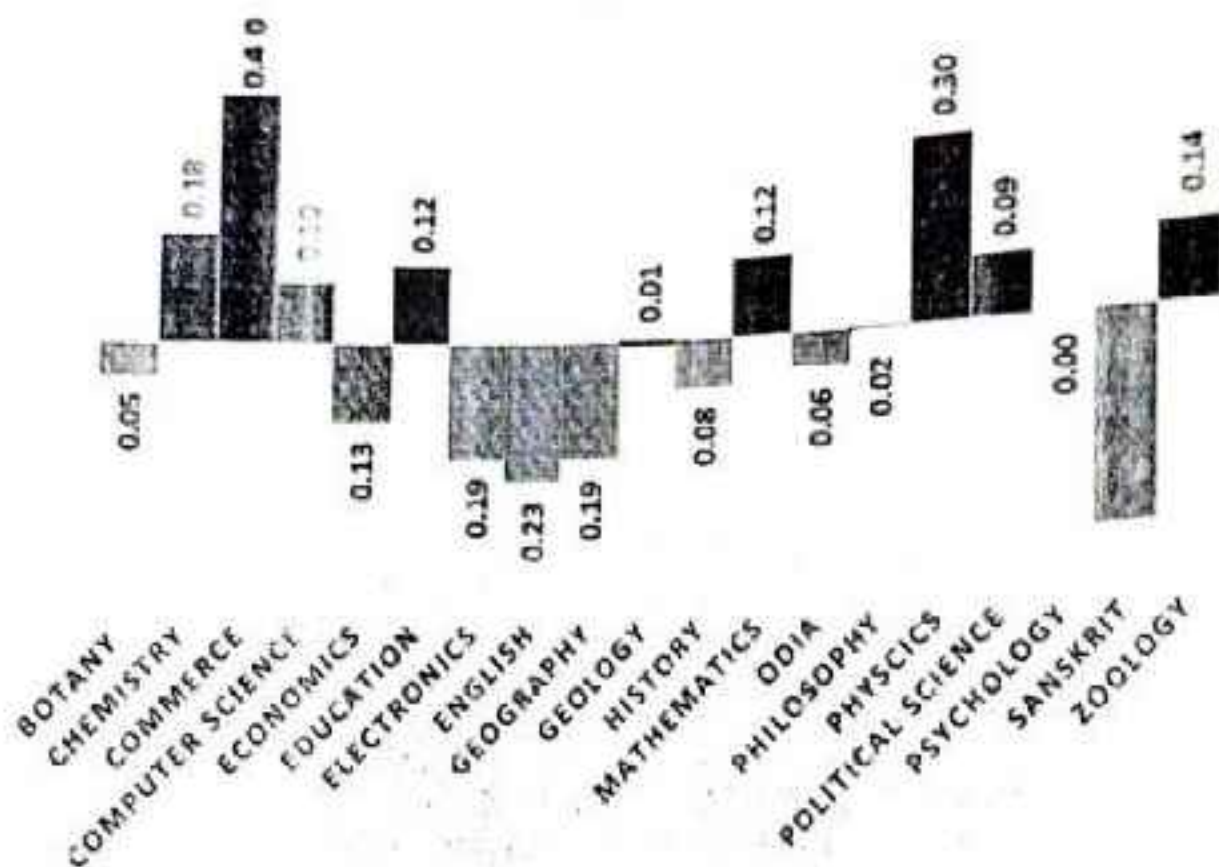

Figure 1: API of departments as a function of deviation from the median API score of 0.46.

The Audit Team identified the following areas wherein PNAC needs to be more watchful.

1. The affiliation search results in the SCOPUS database did not reveal the presence of the PNAC.
2. The digital presence of the researchers of PNAC on the pages of Publons powered by Web of Science and ORCID is absent.
3. The teachers of the college should be encouraged and oriented to publish research/review articles in globally reputed databases, like WoS, Scopus, and PubMed.
4. Students should deliver at least 4 seminars each semester.
5. PNAC should offer skilling courses for UG and PG students through its departments. The College can introduce online learning courses through SWAYAM to strengthen undergraduate education.
6. The IQAC should initiate Internal Audit and identify the best performing individual teacher, and departments every year and felicitate them in public events, such as on Foundation Day or Teachers' Day, etc.
7. In addition to Academic Audits, IQAC should undertake Green Audits, Energy Audits, and Gender Audits regularly.

8. All activities of PNAC should be published on the website with document validation and geo-tagged pictures.
9. PNAC should augment its digital presence through social media networks, namely Facebook, Twitter, LinkedIn, Instagram, etc.
10. The library should digitize all its resources at the earliest and contribute the library data to IndCat [indcat@anlibnet.ac.in]
11. The SWOC analyses of the PNAC should be revised and rephrased.
12. Adequate infrastructure support should be extended to each department every year.
13. Consultancy Cell should be energized and attempts should be made to offer consultancy to government, non-government organizations, businesses, trade, and industry.
14. All the laboratories need to be well-maintained and equipped with up-to-date facilities.
15. Adequate provisions for basic amenities, such as WiFi connectivity, washrooms, and drinking water for students, employees, and differently-abled individuals should be made.
16. Cleanliness and beautifications of the departments and the campus are desirable.
17. The frequency of parent-teacher and mentor-mentee/proctorial meetings should be increased.

Additional Suggestions

- This is high time PNAC should participate in India Rankings 2023.
- DPR should be prepared for opening PG programs in major subjects, like Physics, Chemistry, Mathematics, Botany, Zoology, Economics, Geography, English, etc.
- All self-financing programs should be regularized and attempts should be made to create faculty positions for these departments.
- The PNAC should draft and publish short-term and long-term IDPs.
- The PNAC should develop an R&D culture on the campus linked to intra-mural incentivization.

Detailed Report

The following experts participated in the event as Academic Performance Auditors:

- | | |
|-----------------------------|----------------------------|
| 1. Dr. Atava Kumar Pati | Executive Member, OSHEC |
| 2. Dr. Susmit Prasad Pati | Executive Member, OSHEC |
| 3. Dr. Pradeep Kumar Behera | Academic Consultant, OSHEC |
| 4. Dr. Mihir Kumar Das | Academic Consultant, OSHEC |

Objectives

The Department of Higher Education, Government of Odisha introduced an Academic Performance Audit (APA) of all HEIs under its administrative umbrella as a mandatory activity to be carried out regularly. OSHEC was assigned the responsibility to oversee the Academic Performance Audit of each HEI. In addition, OSHEC has the mandate to monitor the performance of all programs offered by the HEIs under the PPP modality. The APA is aimed at the following:

1. To review the overall annual academic performance of HEIs

2. To review the performance of regular programs and self-financed programs offered by the HEIs through the individual departments, including those programs running under the PPP model
3. To review the preparedness of the HEIs for NAAC accreditation and NIRF ranking and to apprise them of the nuances of accreditation and ranking processes

Interaction with the IQAC

1. The IQAC must arrange all relevant documents for verification and validation and upload them on the university website.
2. Conduct various kinds of Audits, like Academic Audit, Gender Audit, Green Audit & Energy Audit, and upload audit reports on the website.
3. Collect feedback from all stakeholders, such as Students, Teachers, Employees, Alumni, the Public, Parents, and Employers. Publish action taken reports (ATR) on the university website or in a designated URL.
4. Plan and execute accreditation processes (NAAC, NIRF, etc.) for the institution.
5. Draft and publish IDP for the institution.
6. Vision and Mission statements should be presented in all departments, administrative sections, and at all vantage points on the campus.
7. The SWOC should be congruent with the motto of the institution.

Interaction with the CoE and examination functionaries

1. The PNAC should initiate the process of online evaluation of examination scripts and the creation of a pool of examiners for the purpose.
2. The PNAC should create question banks on all subjects in coordination with the concerned departments and the library.
3. A well-defined mechanism for credit transfer should be developed for the eligible and interested students who have discontinued while in the second/third year of the UG/PG programs.
4. The PNAC should register itself in the NAD.

Interaction with OIC Website

1. PNAC should have a social media digital presence policy. It needs to maintain official and approved social media networks, like Facebook, Twitter, LinkedIn, and Instagram.
2. All faculties should register themselves in Publons, Google Scholars, Research Gate, and ORCID, which should be reflected on the University Website.
3. A list of publications of teachers should be published on the website. Each publication should carry its DOI number and a link to the respective journal's website.
4. The Research Policy and Procedures implemented by the DHE should be published on the website.
5. Individual faculty should have access to update their CV on the website.
6. Scribers for physically challenged students need to be reflected on the website.
7. In a nutshell, the website should be NAAC-compliant.

Library

1. The stock verification record should be up to date.

2. Details of the titles of books and the number of books should be published on the pages of the PNAC's website.
3. Details of the book list, books not returned, and a list of weeded-out books should also be reflected in the library pages on the website.
4. The resources in the library should be digitized at a fast pace and the information should be shared with the INFLIBNET for inclusion in the IndCat project.
5. Details of faculty footfall in the library should be recorded continuously.
6. There should be a repository for the academic publications of the teaching faculty. It should also include soft copies of all dissertations and theses.
7. The library should have Smart TV, CC TV, and Wi-Fi connectivity.

Extramural Research Projects

1. Most of the departments do not have sponsored research projects from national and international funding agencies.
2. At any given time, each department should have at least two ongoing research projects.
3. The faculty should have multidisciplinary collaborative projects.

Observations

A summary of the consolidated Academic Performance Index of 19 departments/units is presented below in the Table. The departments were assessed based on FOUR major criteria, namely (1) Student-related performance, (2) Teacher-centric performance, (3) Infrastructure, and (4) General activities that reflect academic growth. The median Performance Index score was found to be 0.46 for PNAC. Four out of 19 departments had a Performance Index ≥ 0.60 .

General Advisory to all Departments

1. All the departments should revise and update their syllabi regularly.
2. Each student should make at least 4 seminar presentations each semester.
3. Drop-out analysis should be made carefully. Someone taking TC for employment should not be considered a dropout. Similarly, someone taking TC for his/her admission into some other programs in a different HEI should not be considered a dropout.
4. Guest teachers recruited for two consecutive semesters or a period of 9 months are to be considered in the category of 'regular teachers.'
5. All activities of the departments should be published on the pages of the HEI's website.
6. Mentor-Mentee meetings should be carried out regularly. It could be given a space in the timetable of each department. The proceedings of such meetings should be published on the web pages of the college. It should not function as a grievance-redressal unit.
7. The departments scoring ZERO on any assessment criterion need to overcome such a status.
8. The students should be encouraged, motivated, and groomed to participate in the NET/GATE examinations.
9. All teaching faculty should get themselves registered on academic platforms, like Vidwan (<https://vidwan.inflibnet.ac.in/>).
10. All teaching faculty and students should use e-Resources maximally provided to them through the EBSCO platform.
11. Students should be motivated to apply for fellowships.
12. Patent, Consultancy, and Counselling are the areas where the contribution of the college can be more productive.

Department-specific Recommendations

Odia, Sanskrit, and English

1. All language departments should offer interdisciplinary courses either as skilling or add-on courses collaboratively.
2. The inclusion of cultural studies in the syllabi is desirable.
3. Institute collaborative research.
4. Publication of special lectures in the form of journal articles/website articles.
5. Translate books published by Sahitya Akademi, India's National Academy of Letters into Odia.

Botany, and Zoology

1. Offer consultancy in the areas of expertise.
2. Publish details about the consultancy cell on the college's website.
3. Augmentation of alumni engagement is essential.
4. Augment collaborative research activities.
5. Each department should sign MoUs with peer institutions.
6. Maintain the record of Student's progression perfectly.
7. SWOC analysis should be revised and rephrased.

Computer Science

1. This department should ensure that all teachers of the colleges are registered in Publons, Google Scholar, and ResearchGate platforms.
2. The department should initiate a consultancy program.
3. The department could start publishing a journal/magazine. The ISSN should be procured for these publications.
4. The faculty should write collaborative and multidisciplinary projects.

Chemistry, Physics, and Mathematics

1. SWAYAM and NPTEL courses should be introduced.
2. An adequate number of computers should be provided for the Chemistry, Physics, and Mathematics departments.
3. The mathematics department should get licensed software, like MATLAB, SPSS, etc.
4. Encourage guest faculty for writing reviews for publication.
5. Encourage faculty to publish in journals listed in Scopus and WoS.
6. Participate in outreach activities.
7. Include Mentor-Mentee Interaction meetings as a component in the Time Table.

Economics

1. Publications should be uploaded on the pages of the College's website with DOI numbers and links.
2. Develop a few skills development courses and one value-added credit course with a 40-hour duration.
3. Intensify Mentor-Mentee activities.

Education

1. Carry out course-wise analysis of the results.
2. Develop a skill development course and one value-added credit course with a 40-hour duration.
3. The department should assist other departments in writing the teaching objectives of the courses and programs using behavioral terms.

Commerce

1. The results of the students should be analyzed paper-wise and comparisons be made to ascertain the efficiency of the subject teachers.

2. One stock broking unit and GST cell should be created to provide training to the local business houses.
3. Highlight outreach activities of the department.
4. The establishment of a 'commerce lab' is recommended.

Political Science

1. Focus on introducing courses like election studies.
2. In research methodology, there is a need to focus on quantitative techniques.
3. The wall magazine of the department should be uploaded to the college website.

Philosophy

1. Faculty should get involved in research activities.
2. Write and publish research articles in UGC-CARE journals.

History

1. The department should prepare a list of historical places around Khordha and prepare documents for the benefit of the students.
2. Arrange study tours for the students to make them aware of important historical places.
3. There is a need to revise the syllabus accordingly.
4. Focus on regional history.

Geography and Geology

1. The first page of the publication showing ISSN/ISBN should be uploaded on the pages of the College.
2. All faculty should register themselves in the Publons.
3. Revise and rephrase SWOC.
4. Augment collaborative research activities.

Psychology

1. Identify a school and identify slow learners.
2. Emphasize the steps to be taken for slow learners.
3. Conduct IQ and EQ tests for the students of the college and this activity could be considered as educational counselling.

Electronics

1. Revise and rephrase SWOC for the department.
2. Publish links to the EBSCO platform on the web page of the department.
3. Purchase licensed software.
4. Download e-Books.
5. Offer certificate and Add-on courses.
6. The department should install Internet facilities separately.

NCC

1. The NCC building needs refurbishing.
2. Think of a demonstration of Yoga before the NAAC Peer Team.
3. Maintain attendance register for the attendees of Yoga classes.
4. Upload pictures of all events organized by the NCC on the web pages of the college.
5. All pictures should be geo-tagged.

Self-Financed Departments

1. Revise and rephrase the SWOC analysis
2. Determine and demonstrate the financial viability of the courses.
3. Project investments in and achievements of the departments over a period of the last five years.
4. Improve and arrange placement opportunities for the students.
5. Parent-Teacher and Mentor-Mentee interaction meetings should be organized regularly.

General Observation and Recommendation

- Mission and Vision statements may be revised and rephrased.
- There should be a dedicated page on Shri Pranath Patnaik on the website.
- Submit a proposal to the Government for the introduction of PG programs in Chemistry, Physics, Mathematics, Botany, Zoology, Economics, Geography, and English along with the UG programs in Clinical Pathology, Clinical Psychology, Biotechnology, and Microbiology.
- Develop IDP for the college.
- Motivate teachers and students to create a research culture.
- Motivate and encourage faculty to publish research papers and reviews in journals listed in SCOPUS, WoS, and PubMed.
- Status of NAAC preparedness – Yet to be initiated
- The OSHEC team underscored the need for accreditation to ensure the renewal of the RUSA grant and other financial assistance.
- The IQAC and University authorities assured the audit team to submit IQA on or before 31st October 2022.
- Status of participation in NIRF – Participating regularly since 2018
- The IQAC has assured the audit team to make the website of PNAC NAAC compliant.

SPEED POST

D. O. No. F. 12-1/2010 (NS/PE)

16 SEP 2011
September, 2011

Dear Sir/Madam

At the outset, I would like to congratulate you, your teachers, students, non-teaching staff and your management for the unique honour of 'CPE' status bestowed on your college by the Commission under the scheme "Colleges with Potential for Excellence" (CPE).

You may be happy to know that your College is one among the 50 Colleges identified under the scheme "Colleges with Potential for Excellence" (CPE) during Round-IV. I do hope that you would have received by this time a copy of the letter sent to your Vice-Chancellor and copy marked to you in this regard. The information regarding your college selection and other details have also been posted on the UGC website (www.ugc.ac.in).

Kindly arrange to send a certificate to the fact that the data provided by your College in the proposal are factually correct and your college is an aided Govt. college. It may be noted that in case the data provided by you is found to be incorrect at a later stage then the CPE status conferred on your college may be revoked, as per the provisions of the CPE XI plan guidelines. Also, if your college is found to be a self-financing college then the CPE status shall be withdrawn, as such colleges are not eligible under CPE scheme at present. Also, the CPE funds should not be utilized for any self-financing department/courses. Your Action Plan and Budget shall be processed only on receipt of the above certificates.

In case your college has been awarded Autonomous status after the submission of your proposal to UGC under CPE scheme, kindly arrange to send a copy of the UGC letter conferring Autonomous status to your college. In case your college is yet to start the process regarding autonomous status, then you may initiate the process immediately.

In case you need any clarification on any issue relating to CPE scheme you may send an E-mail.

Receipt of this letter may please be acknowledged.

With regards,

Yours sincerely,

(K. Gunasekaran)
(K. Gunasekaran)
