

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organizes special programmes for both slow and advanced learners.

Educating the under-privileged or first-generation learners is a matter of pride for Pranath College (Autonomous), Khordha which also taught us to make provisions to devise graded student assessment and adopt remedial courses for assisting students in every Department/Centre. The College ordinance states that "Internal Assessment in a theory course may comprise of written tests, assignments, presentations, seminars, tutorials, term papers etc. as prescribed by the concerned Board of Studies/Committee of Studies from time to time", giving autonomy to the departments, to provide options for aiding weak students. This led Continuous Internal Assessment to monitor and assess the progress of students.

Some department have consultation hour (non-credited), as a part of regular time table to consult with teachers.

Students are also provided an option of online feedback about curriculum and teacher's evaluation so that suitable improvements can be made.

Tutorial classes are included in the teaching schedules, wherein opportunity to both advanced and slow learners are provided.

Special classes/practical/tutorials are organized by departments to address specific needs of such students. Subject association is active in all departments. Weekly discussions, Journal clubs, Screenings of You tubes, Group discussions, Open debates are organized for augmenting learning outside the classroom.

Extension lectures, capability enhancement programs are organized at departments and occasionally at College level for motivation, personality development, leadership training, confidence-building, with interaction with experts/ intellectuals.

Extension lectures by experts are arranged on mental health and life skills as well. Many departments, especially Science and computer science and electronics, have summer internships, dissertation projects (with industry, R&D laboratories, other Universities) as part of their curricula. Faculties of Social Sciences, Humanities and Arts provide for field work for projects and dissertations. Since implementation of CBCS courses, every Department/ Centre appoints a coordinator, to mentor students and to provide personalized and regular support in selection of proper courses based on their aptitude, need and interest.

Hand holding of fresher's by senior students has been a practice to help them cope with their studies and personal realm, which impacts their overall performance/well-being. Department also organizes orientation sessions for students to guide them about various curricular and co-curricular programs and program outcomes. In some departments, students have options to answer their assignments/exams in language of their choice.

Students Welfare extends all support to students, which includes opportunities of scholarships, fellowships, awards, club memberships (Green Volunteers, Quality Volunteers), College activities etc. They are urged to participate in diverse curricular and co-curricular forums like seminars, conferences, lectures, as well as other literary events, cultural events, various club activities in the domains of art, dance, theatre, music, and other performing arts organized from time to time. Several workshops and lectures are organized. on education, poverty, healthcare, excessive urbanization, digitalization of villages, energy and environment etc.
