attending to any complaints other than the ones relating to the working of the software system even within the warranty period. However, to the service provider as per 1.4 of the client's premises the client shall bear the Traveling allowance and other allowances to the personnel attending the project.

6. The client shall pay the service provider the license fee (amount) that will include annual maintenance charges at Rs. 1 per student per semester even excluding fees. The student count will be equal to the number of students entered into the database at the beginning of the session. The number of students of one session finished at the beginning of the session will continue for three years at the end of their course. The agreement will include students in the sessions 2018 (1st Year), and 2019(2nd Year) and 2020(1st Year).
- The amount has to be paid in the form of Bank Draft/Cheque/Online Transfer bearing the Freshersware's account at **Shubhamover** to the IF of December, after the formal bill. The payment should be positively made within three days from the submission of bill.
7. In addition to the Clause 6, the Client has to pay to the Service Provider's representative called upon to attend complaint on-site an amount of Rs. 250/- per visit plus 40 and 40 km from the service provider's headquarters, plus charges towards boarding and lodging. The client has to pay this amount and taxes on it, if applicable, before the representative of the Service Provider leaves premises of the Client. The payment should be made in cash or D.D. and a receipt receipt may be asked against such payments.
8. The client shall not tamper or reassign the software.
9. If any such case is reported by the representative authorized by the service provider, then it will be considered as the violation of conditions of the contract and the service provider will not be held responsible for any problem that may happen to the user system.
10. The client shall promptly sign and preserve the service call reports presented by the service provider in order to keep track of the configuration/specification of the individual services under contract. The remarks may be clearly noted by the actual user of the system to help reported and service as well as to the administrative measures by the authorities at both the ends.
11. The Client has to mention the name, designation along with contact details of the person responsible for the interaction with the Service Provider. If the concerned person leaves the organization within the contract period then it is the responsibility of the client to make the Service Provider aware of the change.
12. The client shall take regular backup of data and store it in an external medium like the CD to avoid any loss due to malfunctioning of the system. The service provider is limited to restoring the data from the last proper backup taken. The client shall verify any report generated through the software prior to making it public.
13. The client is at liberty to cancel the contract by giving one-month notice prior to the date of cancellation to the Service Provider in writing, but without any claim for refund of the license fee for that license period.
14. The cancellation of the contract has to be signed by the authorities of both the parties in order to avoid disputes.
15. The service provider can also cancel the contract at the end of any License Period giving a one-month notice prior to the date of cancellation.
16. The client shall make payments immediately on submission of bill. Any delay in payment by 20

- 15. The Service provider can also cancel the contract at the end of any License Period giving a one-month notice prior to the date of cancellation.
- 16. The client shall make payments immediately on submission of bill. Any delay in payment by 20 days from its due date will be termed as a violation of the contract.
- 17. On expiry of this agreement, either party shall have the option to/not to renew the agreement without assigning any reason thereof leading to cancellation of license to use the software in future sessions except for the semesters for which the license fees are cleared.
- 18. The client and the service provider shall settle their disputes under this agreement amicably. Any claim or dispute arising under this agreement shall be subjected to the jurisdiction of the court of Khordha only.

Database used, data stored, or Virus or Trojan activities. The client can avail services both on-site as well as off-site through internet. On-site services will be provided only when the problem cannot be solved off-site. The Service Provider reserves the right to decide whether a problem can be solved On-site or Off-site. The client shall make arrangements for off-site access. The institution has to pay for attending to any complaints other than the ones relating to the working of the software modules even within the warranty period. However for the services provided on-site (i.e. at the client's premises) the client shall bear the Traveling Allowance and Daily Allowance for the personnel attending the problem.

- 6 The client shall pay the service provider the License fee (renewal) that will include annual maintenance charges at Rs 10,000/- excluding taxes. This amount has to be paid in the form of Bank Draft/Cheque/Online Payment favoring 'The Freelancers' payable at Bhubaneswar within the license period. The payment should be positively made within fifteen days from the submission of bill.
- 7 In addition to the Clause 6, the Client has to pay to the Service Provider's representative called upon to attend complaint on-site an amount of Rs. 250/- per visit plus to and fro fare (from the service provider's headquarters) plus charges towards boarding and lodging. The client has to pay this amount and taxes on it, if applicable, before the representative of the Service Provider leaves premises of the Client. The payment should be made in cash or DD and a money receipt may be asked against such payments.
- 8 The client shall not tamper or reengineer the software.
- 9 If any such case is reported by the representatives authorized by the service provider, then it will be considered as the violation of conditions of the contract and the service provider will not be held responsible for any problem that may happen to the said system.
- 10 The client shall promptly sign and preserve the service call reports presented by the service provider in order to keep track of the configuration/specification of the individual services under contract. The remarks may be clearly noted by the actual user of the system for better response and service as well as for the administrative measures by the authorities at both the ends.
- 11 The Client has to mention the name, designation along with contact details of the personnel responsible for the interaction with the Service Provider. If the concerned person leaves the organisation within the contract period then it is the responsibility of the client to make the Service Provider aware of the change.
- 12 The client shall take regular backup of data and store it in an external medium like the CD to avoid any loss due to malfunctioning of the system. The service provider is limited to restoring the data from the last proper backup taken. The client shall verify any report generated through the software prior to making it public.
- 13 The client is at liberty to cancel the contract by giving one-month notice prior to the date of cancellation to the Service Provider in writing, but without any claim for refund of the license fee for that license period.
- 14 The cancellation of the contract has to be signed by the authorities of both the parties in order to avoid disputes.

AGREEMENT

This Agreement for extension of License for the software and Annual Maintenance for the same entered between:

**The Freelancers having its Office at:
64, Saraswati Kunja, Jagamara, Khandagiri Bhubaneswar -751 030**
here in after referred as the **SERVICE PROVIDER**

AND
PN Autonomous College, Khordha here in after referred as the **CLIENT**, on the

Where by the **SERVICE PROVIDER** agrees with the **CLIENT** for annual maintenance on renewal of license fee for the working of the examination automation software "**Academia Electus**" for PG examination here in after referred as the **SOFTWARE**, working in the premises of the Client, which shall remain in force for a period of one year, here in after referred as the **LICENSE PERIOD** from **01-Oct-2020 till 30-Sep-2021** both days inclusive subject to the following terms and conditions:

- 1 The client is allowed to call over phone or internet or send email to the service provider as and when required to fulfill the requirement in order to keep the services (w.r.t the software) under contract in good condition.
- 2 The service provider shall attend to the client's request offsite (from service provider's end) without delay, within 72 hours excluding Sundays and Holidays, from the receipt of complaint, without any extra charge. However the cost of upgradation / customization, if required shall be borne by the client.
- 3 The service provider expects that the client shall adhere to the features provided in the software and follow standard operating procedures (SOP) as suggested by the Service Provider.
- 4 The service provider shall accommodate any request, given in writing by the client, for updation of the software provided:
 - I. The client has cleared all the dues
 - II. The updation requested meets the feasibility (Technical, Schedule, Economic/financial, Resource, Operational, Legal/Ethical) tests.

If there are financial implications then the client has to make payment of 50% of the amount during the placement of the order and the rest 50% at delivery of the updates.

- 5 The service provider shall attend the problems relating to the software after receiving the request from the client. The service only covers the working of the software provided by the Service Provider and doesn't include in anyway the workability of the hardware (e.g. computers, printers, scanners, networks etc.), other software (e.g. Operating system, word processors, programming languages, RDBMS etc.) installed in any computer(s).

days from its due date will be termed as a violation of the contract.

- 17 On expiry of this agreement, either party shall have the option to/not to renew the agreement without assigning any reason thereof leading to cancellation of license to use the software in future sessions except for the semesters for which the license fees are cleared.
- 18 The client and the service provider shall settle their disputes under this agreement amicably. Any claim or dispute arising under this agreement shall be subjected to the jurisdiction of the court of Khordha only.
