

The Annual Quality Assurance Report (AQAR) of the IQAC
(For Autonomous Colleges)

2017-18

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)*

<p>It is an observed fact that learners undergo a visible evaluation of personality by the time they pass out of campus. This is probably the single most important factor which has made this college a destination of choice despite availability of nearly a thousand colleges in the state. The availability of infrastructure and well experienced faculties motivate the learner to get admission in this institution. Whereas almost 75000 seats are lying vacant in the state during this academic session, the demand-availability ratio for admission in this college is 8: 1. In other words, there is a constant growth in demand for admission into this college despite availability of option for the students.</p>

There are different specific procedure for the utilization of physical facilities such as buildings, classrooms, laboratories, garden, play ground ,Gym, drinking water systems ,sanitations ,hostels, etc. Separate dedicated teams are in place to oversee the planning made by the committees/institution regarding utilization of different infrastructure. Security of the infrastructure is ensured by a two layered boundary wall along with five security guards. Some areas are under CCTV surveillance. Awareness is made through different forums for any misuse of infrastructure. A complaint box is also there for receiving any complaint from all the stake holders regarding any problems arising during utilization of all infrastructures.

A complete team of three faculties, one civil engineer, two electricians one plumber, two associates and one support staff are engaged for repair, maintenance and capacity addition to all physical

infrastructures. For any alteration, addition, upgradation in large scale, the college engineer is asked to prepare the plan and estimate. After the approval by construction committee, finance committee and Principal it is placed before G.B. Then tender is floated and work order is placed after the negotiations.

An adequate amount of fund is allocated in the college budget for the construction, renovation and maintenance of the physical and academic facility of the college. Besides that autonomy grant was utilised for the renovation and maintenance. Funds are sanctioned from RUSA for constructions laboratory. RUSA fund has also been utilised for maintenance, renovation and beautification of the campus.

College budget provides funds for the purchase of equipments, chemicals and other requirements as per the syllabi. A good amount of fund is also utilised for the purchase of equipment from RUSA and World Bank. Library is not only the store house of knowledge but also the intellectual face of the college. As it houses both new and old books, and books being the window on the world, it is indeed the place where the past and the present have their ungrudging co-existence. In order to justify what it stands for we have taken care to update it with new books. Regular subscription to journals, magazines, daily news paper etc has also been added. We are connected by INFLIBNET which makes more books and journals accessible.

Games and sports long back have been considered as the alternative of the study curriculum. Realising that a sound mind resides in a sound body, body fitness is necessary for which we encourage students to take part in outdoor games. Students have also proved themselves in games and sports in state, national and international level. We conduct annual athletic meet in order to encourage their skill and spirit. We have a gymnasium with separate facilities for boys and girls. Yoga centre is well ventilated and adequate for a good number of students. The self-defence programme for girls' student is regularly held and participants get certificates at the end of the programme. Indoor Stadium of 9298sq. ft is under construction through UGC funding. Three computers labs and one resource centre is available for the access of teachers and students. There are 65 number of well furnished class rooms and 17 laboratories .Three number of smart class rooms are available.
